

**THIS LAW FIRM ENDORSES THE NON-PROFIT ORGANIZATION
“TEXAS VOICES FOR REASON AND JUSTICE” (TVRJ)
(BETTER KNOWN AS “TEXAS VOICES”)**

Texas Voices is a statewide, volunteer organization devoted to promoting a more balanced, and rational criminal justice system. **Texas Voices** advocates for common sense, research based laws and policies through education, legislation, and litigation, along with personal and family support for individuals required to register for sex related offenses.

The membership is comprised of not only those required by Texas law to register as sex offenders, but also includes family members and professionals who understand the harsh consequences of current laws that publicly brand and limit the growth potential of good people for life. The membership of the group cuts across economic and cultural lines and includes all strata of Texas society. Active members in this organization are not limited to those who must register as sex offenders or their families, but includes lawyers, psychologists, counselors, business men and women, and other Texas citizens who have a serious concern that Texas law should protect individual rights, and wish to address their organized concern over the current adversities which visit the sex offender and family.

Please feel free to call this organization for more information about Texas Voices. **This organization protects confidentiality** and has a growing number of chapters throughout the State of Texas.
